Summary of reasons for decision:

The image file depicts a fully clothed girl sitting in front of a drop cloth. Although there is a glimpse of her underwear, this appears incidental. Therefore the image does not deal with a matter of sex or any other matters under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it raise any issues under s3A or s3B of that Act. The publication must therefore be classified unrestricted. This classification is consistent with the right of freedom of expression as set out in the New Zealand Bill of Rights Act 1990.
